Islam and Money

Question: How do we combat Riba?

"There are two forms of Riba that must be recognised. One is lending of money on interest. And the other is the greatest rip off that has ever occurred in human history is the rip off of the monetary system that we have today.

The greatest rip off that has ever occurred in human history is the rip off of the monetary system that we have today.

What do you do? Answer, when you have abandoned the Qur'an and Sunnah, make Tauba and return to Allah.

Do you know that Israel tomorrow is going to mint... In fact I think they have already minted the Gold Dirham.

Why would Israel have to do it? If you study 'Ilmu Akhir-Az-Zaman (Islamic Eschatology) you can answer this question.

...Every Jew knows, only that money can be used in the temple which does not have any human figure on it.

The Roman coins at the time of Nabi Isa (A) were Haram to be used in the Temple; because they had a human figure on them.

So when Dajjal stands up in Jerusalem tomorrow, and he has not brought back that Halal money, no Jew will accept his money.

So that's the first thing you can do; bring back the Gold Dinar and the Silver Dirham as money. Can you do that?

It is my opinion based on my study on Surah Kahf of the Qur'an that the only place you can bring back that money is to the land of Israel.

In so far as money lent on interest is concerned; make Tauba if you have borrowed money on interest to the bank.

Make Tauba because if you die with that Riba, there is no way you can enter into Jannah. Why? Because Riba is Haram.

Get out of that Riba. Sell the car. Sell the house. Pay the bank. When you try do to that... you will know the value of Riba.

Make Tauba and never touch Riba again. ~~Transcribed and posted by brother Dr. Hussam Choudry~~
